### French Remedy for Stomach Troubles

The leading doctors of France have for years used a prescription of vegetable oils for chronic stomach trouble and constipation that acts like a charm. One uose will convince you. Severe cases of years' standing are often greatly benefited within 24 hours. So many people are getting surprising results that we feel all persons suffering from constipation, lower bowel, liver and stomach troubles should try Mayr's Wooderful Stomach Remedy. It is now soid here by

### Indigestion

is often the result of poor blood. The glands that secrete the gastric juices cannot get the right chemicals from poisoned blood, and undigstated food gets into the intestines, causing fermentation, head-ache, constipation, boursigin and rheumatism, with a whole train of attendant disorders. These disorders make the blood worse. Until it is cleaned of poison there can be no relief. Clean the blood and most all ills are cared.

#### Rhoumatism

has disappeared after the use of Mrs. Joe Persons' Romedy for the blood. The stomach has regained its strength, and the whole disestive tract has been toned up to do its work well. Give Nature the charte she wants. She will repair the

## Why we want Small Accounts

Do you realize that a hundred small accounts make a bank stronger than a dozen large ones even if they aggregate the same total of deposits?

That's why we are constantly seeking new customers. We want as wide a circle of friends and customers as possible.

Of course, large accounts are welcome, too, for it is our pur-pose to serve ALL people.

But we want mer and women of limited means to know that this bank is willing to accept their deposits and give them the advantage of our advice and every facility of the institution.

If you are not a bank depositor at all come in and get acquainted with us. We will be gind to talle things over with

Cuizens National Bank

## Fruit Powders.

THEIR NEW OWNERS

Idaho and Mississippi Will Be Giv-

en To Greece With All Fea-

tures Intact

Washington, June 24.—Navy officers

today are preparing to turn over the battleskips, Idaho and Miscissippi to

the Greek government. Final action on the naval appropriation bill, which includes authority for the cale of the

thips will be taken in a day or two and as soon as the precident has sign-

ed the measure the department will be

ready to order the transfer.

It is left to the president and the

secretary of the navy to name the cale price, the intention being to fix this at the actual cost of construction

destination. There was come idea at one time of taking out the fire con-trol or system of electric communi-

cution by which the commanding of-ficer of the ship is enabled to point and fire every gun from the bridge or

coming tower. This is a peculiar American development but the systems installed on the idaho and Mississippi is fairly well known in other navies and has been much improved

transfer, the Idaho, which is now at Gibraltar, will be sent northward to Gravesend, England, where she will be met by the battleship, Alabama, now in reserve in the Philadelphia navy yard, which will take off her personnel, including the Annapolis mid-shipmen, now on their summer cruise. Then the Idaho will be manned by a Greek navel crew.

The possibility of an actual out-break of hostilities between Greece

break of hostilities between Greece and Turkey is being considered in connection with the arrangements for the sale of the ships. In the event of actual war and proper declaration by either party or both, the sale could not be concummated or the ships delivered without a violation of neutrality.

Flat Rock Club.

The democratic club roll will be at Flat Rock church Saturday the 27th inst from 1 to 3 o'clock for the purpose of enrolling the votes of that

precinct.
